OFFICE OF THE GOVERNOR

NUMBER SEVENTY-FIVE (2008)

DECLARATION OF A STATE OF EMERGENCY IN SUPPORT OF THE EMERGENCY MANAGEMENT ASSISTANCE COMPACT TO RESPOND TO THE IMPACT OF HURRICANE GUSTAV IN THE GULF COAST STATES

On August 29, 2008, I verbally declared a state of emergency to exist for the Commonwealth in support of the Emergency Management Assistance Compact (EMAC), of which the Commonwealth of Virginia is a member, to assist the Gulf Coast States respond to and recover from the impact of Hurricane Gustav. In accordance with § 44-146.28:1, the Commonwealth will provide assistance to the fullest extent possible to the impacted states that suffer significant damages from Hurricane Gustav. Moreover, Hurricane Gustav could have far ranging effects throughout the nation, including the Commonwealth.

Therefore, by virtue of the authority vested in me by § 44-146.17 of the *Code of Virginia*, as Governor and as Director of Emergency Management, and by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia and by §44-75.1 of the *Code of Virginia*, as Governor and Commander-in-Chief of the armed forces of the Commonwealth, and subject always to my continuing and ultimate authority and responsibility to act in such matters, I hereby confirm, ratify, and memorialize in writing my verbal orders issued August 29, 2008, wherein I proclaimed that a state of emergency exists and directed that appropriate assistance be rendered by agencies of the state government to respond to needs in the impacted states to alleviate adverse conditions created by the hurricane. Pursuant to §44-75.1.A.3 and A.4 of the *Code of Virginia*, I directed that the Virginia National Guard be called forth to state duty to assist in providing such aid. This shall include such functions as the State Coordinator of Emergency Management, the Adjutant General, and the Secretary of Public Safety, may find necessary.

In order to marshal all public resources and appropriate preparedness, response and recovery measures to meet this potential threat and recover from its effects, and in accordance

with my authority contained in §44-146.17 of the Emergency Services and Disaster Laws, I hereby order the following measures:

- A. The limited implementation by agencies of the state and local governments of the Commonwealth of Virginia Emergency Operations Plan (COVEOP), as amended along with other appropriate state agency plans.
- B. Limited activation of the Virginia Emergency Operations Center (VEOC) and Virginia Emergency Response Team (VERT) to coordinate the provision of assistance to the impacted Gulf states. I am directing that the VEOC and VERT coordinate state operations in support of the EMAC agreement, other mission assignments to agencies designated in the Commonwealth of Virginia Emergency Operations Plan (COVEOP) and other measures that may be identified by the State Coordinator of Emergency Management, in consultation with the Secretary of Public Safety, which are needed to provide assistance for the preservation of life, protection of property, and implementation of recovery activities.
- C. The activation, implementation and coordination of appropriate mutual aid agreements and compacts, including the Emergency Management Assistance Compact (EMAC), and the authorization of the State Coordinator of Emergency Management to enter into any other supplemental agreements, pursuant to §§ 44-146.17(5) and 44-146.28:1 of the *Code of Virginia* to provide for the exchange of medical, fire, police, National Guard personnel and equipment, public utility, reconnaissance, welfare, transportation and communications personnel, and equipment and supplies. The State Coordinator of Emergency Management is hereby designated as Virginia's authorized representative within the meaning of the Emergency Management Assistance Compact, §44-146.28:1 of the *Code of Virginia*.

All over width loads, up to a maximum of 12 feet, must follow Virginia Department of Motor Vehicles (VDMV) hauling permit and safety guidelines.

In addition to described overweight/over width transportation privileges, carriers are also exempt from registration with the Department of Motor Vehicles. This includes the vehicles enroute and returning to their home base. The above-cited agencies shall communicate this information to all staff responsible for permit issuance and truck legalization enforcement.

This authorization shall apply to hours worked by any carrier when transporting passengers, property, equipment, food, fuel, construction materials and other critical supplies to or from any portion of the Commonwealth for purpose of providing relief or assistance as a result of this disaster, pursuant to §52-8.4 of the *Code of Virginia*.

The foregoing overweight/over width transportation privileges as well as the regulatory exemption provided by §52-8.4.A of the *Code of Virginia*, and implemented in §19 VAC 30-20-40.B of the "Motor Carrier Safety Regulations," shall remain in effect for 30 days from the onset of the disaster, or until emergency relief is no longer necessary, as determined by the Secretary of Public Safety in consultation with the Secretary of Transportation, whichever is earlier.

- E. This state of emergency constitutes a major medical emergency under the Rules and Regulations of the Board of Health Governing Emergency Medical Services, pursuant to Article 3.01 (§ 32.1-111.1 et seq.) of Chapter 4 of Title 32.1, of the *Code of Virginia*, Statewide Emergency Medical Services System and Services, and exemptions specified in the Rules and Regulations regarding patient transport and provider certification in disasters apply.
- F. The implementation by public agencies under my supervision and control of their emergency assignments as directed in the COVEOP without regard to normal procedures pertaining to performance of public work, entering into contracts, incurring of obligations, or other logistical and support measures of the Emergency Services and Disaster Laws, as provided in §44-146.28 (b) of the *Code of Virginia*. Section 44-146.24 of the *Code of Virginia* also applies to the disaster activities of state agencies.
- G. Designation of members and personnel of volunteer, auxiliary and reserve groups including search and rescue (SAR), Virginia Associations of Volunteer Rescue Squads (VAVRS), Civil Air Patrol (CAP), member organizations of the Voluntary Organizations Active in Disaster (VOAD), Radio Amateur Civil Emergency Services (RACES), volunteer fire fighters, and others identified and tasked by the State Coordinator of Emergency Management for specific disaster-related mission assignments as representatives of the Commonwealth engaged in emergency services activities within the meaning of the immunity provisions of §44-146.23 (a) of the *Code of Virginia*, in the performance of their specific disaster-related mission assignments.
- H. I hereby authorize the Superintendent of Public Instruction to issue such guidance to local school divisions as may be necessary to facilitate enrollment of students displaced by Hurricane Gustav.

- I. The temporary waiver, for a period of 90 days, of the enforcement by the Board of Pharmacy of statutory and regulatory provisions which, in the judgment of the Director of the Department of Health Professions, impede the ability of Virginia pharmacies to provide assistance to patients who have been displaced by the effects of Hurricane Gustav.
- J. The following conditions apply to the deployment of the Virginia National Guard:
 1. The Adjutant General of Virginia, after consultation with the State Coordinator of Emergency Management, shall make available on state active duty such units and members of the Virginia National Guard and such equipment as may be necessary or desirable to assist in alleviating the human suffering and damage to property.
 2. Pursuant to §52-6 of the *Code of Virginia*, I authorize the Superintendent of State Police to appoint Virginia Army and Air National Guard personnel called to state active duty as additional police officers as necessary. These police officers shall have the same powers and perform the same duties as the regular State Police officers appointed by the Superintendent. However, they shall nevertheless remain members of the Virginia National Guard, subject to military command as members of the State Militia. Any bonds and/or insurance required by §52-7 of the *Code of Virginia* shall be provided for them at the expense of the Commonwealth.
 3. In all instances, members of the Virginia National Guard shall remain subject to military command as prescribed by §44-78.1 of the *Code of Virginia* and not subject to the civilian authorities of county or municipal governments. This shall not be deemed to prohibit working in close cooperation with members of the Virginia Departments of State Police or Emergency Management or local law enforcement or emergency management authorities or receiving guidance from them in the performance of their duties.
 4. Should service under this Executive Order result in the injury or death of any member of the Virginia National Guard, the following will be provided to the member and the member's dependents or survivors:
 - (a) Workers Compensation benefits provided to members of the National Guard by the Virginia Workers Compensation Act, subject to the requirements and limitations thereof; and, in addition,
 - (b) The same benefits, or their equivalent, for injury, disability and/or death, as would be provided by the federal government if the member were serving on federal active duty at the time of the injury or death. Any such federal-type benefits due to a member and his or her dependents or survivors during any calendar month shall be reduced by any payments due under the Virginia Workers Compensation Act during the same month. If and when the time period for payment of Workers Compensation benefits has elapsed, the member and his or her dependents or survivors shall thereafter receive full federal-type benefits for as long as they would have received such benefits if the member had been serving on federal active duty at the time of injury or death. Any federal-type benefits due shall be computed on the basis of military pay grade E-5 or the member's military grade at the time of injury or death, whichever produces the greater benefit amount. Pursuant to § 44-14 of the Code of

Virginia, and subject to the availability of future appropriations which may be lawfully applied to this purpose, I now approve of future expenditures out of appropriations to the Department of Military Affairs for such federal-type benefits as being manifestly for the benefit of the military service.

5. The costs incurred by the Department of Military Affairs in performing these missions shall be paid from state funds.
- K. The activation of the statutory provisions in §59.1-525 et. Seq. of the Code of Virginia related to price gouging. Price gouging at any time is unacceptable. Price gouging is even more reprehensible after a natural disaster. I have directed all applicable executive branch agencies to take immediate action to address any verified reports of price gouging of necessary goods or services. I make the same request of the Office of Attorney General and appropriate local officials.
- L. I hereby authorize the heads of executive branch agencies, acting when appropriate on behalf of their regulatory boards, to waive any state requirement or regulation for which the federal government has issued a waiver of the corresponding federal or state regulation based on the impact of Hurricane Gustav.
- M. I hereby authorize the presidents of colleges and universities in the Commonwealth to waive the requirements of any state law or regulation for good cause to facilitate enrollment of students displaced by Hurricane Gustav.
- N. A state of emergency exists for the Commonwealth in support of the proper management, care and support of persons who may be displaced by Hurricane Gustav, evacuated from states impacted by Hurricane Gustav, and relocated to the Commonwealth (Evacuees). These evacuees will require a variety of services including, but not limited to health and medical care, social services, transportation and security services. I hereby order the following measures:
 1. Designation of physicians, nurses, and other licensed and non-licensed health care providers and other individuals as well as hospitals, nursing facilities and other licensed and non-licensed health care organizations and other private entities by agencies of the Commonwealth, including but not limited to the Department of Health, Department of Mental Health, Mental Retardation and Substance Abuse Services, Department of Emergency Management, Department of Transportation, Department of State Police, Department of Motor Vehicles, and Department of Social Services, as representatives of the Commonwealth engaged in emergency services activities, at sites designated by the Commonwealth, within the meaning of the immunity provisions of §44-146.23 (a) of the Code of Virginia, in the performance of their disaster-related mission assignments.
 2. During the next 120 days, The Director of the Department of Health Professions shall issue temporary licenses, registrations, and certifications to practice in the Commonwealth, for a period not to exceed one year, to qualified health care practitioners who are displaced residents of Hurricane Gustav affected states, who hold like

unrestricted licenses, registrations, or certifications in their resident states, and who may be unable to furnish or have furnished on their behalf complete documentation of their credentials and license status as otherwise required by Virginia law or regulation. The Director shall also have authority to defer the payment of licensing fees. Any license, registration or certification so issued may be revoked by for cause without a hearing by the Director.

- O. Upon my approval, the costs incurred by state agencies and other agents in performing mission assignments through the VEOC of the Commonwealth as defined herein and in §44-146.24 of the *Code of Virginia*, other than costs defined in Item 5 of the paragraphs above pertaining to the Virginia National Guard, in performing these missions shall be paid out of the sum sufficient appropriation or other funding as approved by DPB for Disaster Planning and Operations contained in the Appropriation Act. In addition, up to \$25,000 shall be made available to VDEM for Response and Recovery Operations with the Department of Planning and Budget overseeing the release of these funds.

This Executive Order shall be effective August 29, 2008, and shall remain in full force and effect until June 30, 2009, unless sooner amended or rescinded by further executive order. Termination of the Executive Order is not intended to terminate any Federal-type benefits granted or to be granted due to injury or death as a result of service under this Executive Order.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 4th day of September, 2008.

Timothy M. Kaine, Governor

Attest:

Secretary of the Commonwealth
